

ALE-W for T16 lamps

Surface mounted luminaire series ALE W ..., ALE W ...-TI, titanium colour, wall washer for T16 lamps

Design: Rigid luminaire housing with extremely decorative scratch resistant white or titanium colour powder coating. With welded-in inset multifunction end pieces for mounting the lampholders and a patented quick release connection facility for the creation of continuous lighting systems as well as for holders for decorative end caps. With electronic multiwatt ballasts (EVG) 220-240 V, 0/50-60 Hz.

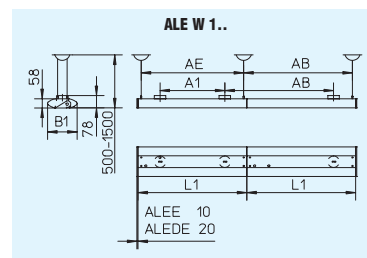

End caps: Must be ordered separately, see accessories.

Mounting: A variety of fixing kits are available for luminaire mounting (see accessories).

Junction points: Junction points are available for creating continuous lighting system configurations (see accessories)

ALE W, ALE W-TI

Parabolic reflector in high-reflectance, matt anodised super-purity aluminium, interference-free and providing good asymmetric light distribution.

Voltage: 230V/50Hz

Protection class: IP 20

Approvals:

Note One wire or tube pendant must be ordered per suspension point.

1) For pendant luminaire mounting with this accessory, please order a retrofit counterweight AG ALE/ABRF ... ensure compatibility with the specific luminaire type.

The counterweight can be pre-fitted in the factory on request.
